

**TAHOMA VALLEY  
BAR & GRILL**

### **Happy Holidays!**

The golf shop is full of items for holiday gifts and stocking stuffers for the golfers in your family.

Gift cards and certificates are available in both the golf shop and the restaurant.

We would like to thank all of our players in helping to keep the course playable during this wet weather. Keeping golf carts off of the fairways makes a big difference and we appreciate your understanding and assistance. We need to continue to keep the golf carts along the tree lines or in the rough for the foreseeable future.

On frosty days, we will open as usual, but ask to keep the cars off of the fairways entirely until the frost clears.

No Frost Delays here!

#### **Monthly Pass:**

**Play the entire month of December and save!**
